PRAYER REQUEST for Meldrum and Bourtie Church

As part of Presbytery's new way of working, every two months there will be a Local Church Review, and all congregations within Gordon Presbytery are asked to pray for the work of the church that is the focus of the review. For October & November we are asked to pray for the work of Meldrum and Bourtie Church. They have specifically asked us to pray for the following points:

- To help them encourage young families in their Parish to join them and to ask the Holy Spirit to help them to connect with young people in their Parish.
- To support them with their plans to build a new hall and refurbish and modernise their Church.
- To bless them on the path towards building new relationships throughout their community.

Your prayerful support of these aims would be very gratefully received.
